## WNC Thank You!

*In November 2010, the prospect of sending any more than a few delegates to Winter National Conference in Albuquerque, NM seemed daunting. However, our resolve to fund not one or two but upwards of five members to attend the conference was strong and we had the good fortune of tapping into our committed and responsive alumni base. Thanks to your collective support, we were able to raise \$1700 for conference attendance.*

*Combined with personal and LC investments, eight of our ten delegates were essentially covered in full to travel to and attend the conference. The relationships we built and ideas we conceived as a result of this conference have already proven beneficial to LC success and motivation; we are extremely grateful for your willingness to contribute. **Thank you!***

## LCP/EB elections

*AIESEC US has mandated the need for LCs to run operationally from January - January. As one of the few LCs that runs May - May, this is of utmost importance to our sustainability as an LC. We have decided that LCP candidates will commit to the role until Dec 31, 2012 in order to carry out a uniform and sustained vision. The EB will commit for the same time frame if possible, though if the person filling the role will be a senior then a new VP will be elected into the role for the second half of 2012.*

## OutGoing Exchange

*100+ applications  
80 interviewed  
69 accepted.*

*While the absolute numbers has reduced, more of our applicants are undergraduate seniors and Master's who are excited to take on long-term traineeships. These are typically easier to match!*

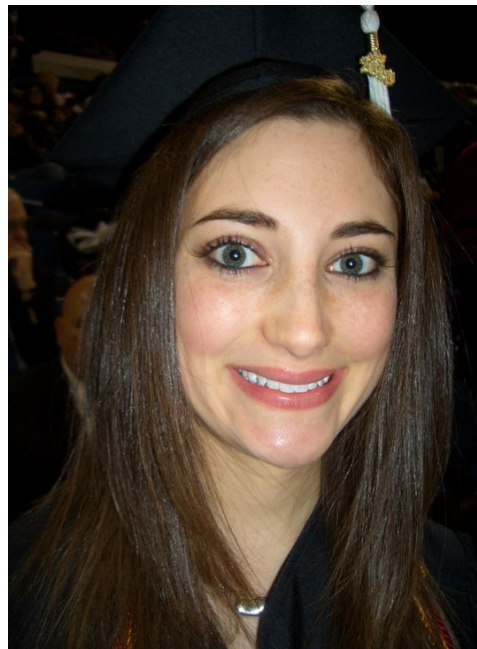

## External Relations

*We're compiling the history of AIESEC Michigan (or attempting to!) If you can provide any help or are willing to be interviewed please e-mail [sfadel@umich.edu](mailto:sfadel@umich.edu)*

# New Alumni!!

As we welcomed AIESECers into our community, we also said ***Goodbye*** and **Good Luck** to two members who have graduated this Fall . Ben is currently in Houston working for General Electric, and Danielle's future plans include a Masters in Public Health and a traineeship abroad. Ben, Danielle, thank you for your contributions. We miss you! And we wish you the best in your future plans!
